Dear Customers,

The Coronavirus (COVID-19) pandemic is challenging all companies in a special and unprecedented way. As a compliance scheme, we also have to face these challenges. Of course, our activities are focused on you – our customers. We will work closely with you to find ways to avert any disadvantages that may arise for you.

Due to the constantly changing conditions, it is particularly important that we react flexibly together. This is the only way that we can ensure that we can meet our contractual obligations.

Important points are:

- All relevant employees in our company - especially our sales teams - are working from home. **Therefore, please get in touch with your contact person** primarily, if you have any questions.
- For general questions we can be reached at any time by email or via our hotline:
email: info@landbell.de
Phone no.: +49 (6131) 235652 – 0
For all EASy-Shop customers: Your EASy-Shop can still be reached at any time: www.landbelleasy-shop.de/en

Let's get through this difficult time together. We guarantee that we will be here for you as your reliable partner for compliance services now and in the future!
